

Re: FCC Docket 17-108

“Restoring Internet Freedom”

To the Commission:

This deceptively entitled proposed rule making is objected to in the strongest possible terms. The elimination of “Net Neutrality” via this mechanism cannot be allowed. Free, equal and uncensored access to the Internet is the essence of “Free Speech” in the 21st Century. Destroy this proposed rule change with extreme prejudice.

Respectfully,

Dr. David Hunt Smith  
1010 West Briarcliff Drive  
Bloomington, Indiana 47404
